

# Lower Farm Times

February 2021 | Edition 21

Monday 8<sup>th</sup> March

We are very excited that all children will be able to join us in school from Monday 8<sup>th</sup> March and are looking forward to welcoming them into the classrooms again. A few key reminders from us to make sure things run smoothly for everyone;

Year 1 will enter and leave the site from the car park entrance and Reception will enter and leave the site from the playground gate.

Please ensure you still socially distance whilst waiting at the gate and wear a mask.

When driving to the school please follow the one-way system through the estate to ensure the roads are as safe as possible for the children.

If you need to speak with a member of staff please call the school office or send them an email.

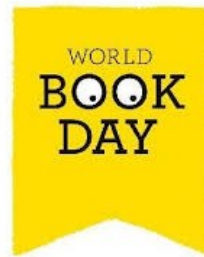

Children can arrive at school from 8.40am-8.50am.

Home time is between 3.10pm and 3.20pm.

Breakfast club will take place from 8:00am. We will offer a range of tasty cereals to the children. Please provide their water bottles for a drink.

After-school club will be available until 4.30pm initially, but we will reassess as time goes on. Please ensure you have booked your child in to breakfast and afterschool club if you wish to use these.

PE will resume on Wednesday mornings and children can wear their PE kits to school if they are going to struggle with changing their clothing.

## World Book Day / Red Nose day Friday 12<sup>th</sup> March

World book day was scheduled to take place on Thursday 4<sup>th</sup> March. However, with all children returning the following Monday 8<sup>th</sup>, we have decided to delay our book-based celebrations until **Friday 12<sup>th</sup> March.**

It will be a joint celebration with Red Nose Day and children are challenged to take a photo of themselves reading a book in an interesting place.

It will be a non-uniform day and children are invited to dress up as their favourite book character if they wish for the celebrations and we will have lots of exciting activities to enjoy in school .

Please bring in a donation for Comic Relief charity and your favourite book to share in class.

# Site Update

The site is progressing nicely now. We have a roof and the builders kindly sent us some posters for our playground for the children to spot the hazards and also all the different jobs that you can do on a building site.

## Thank you to all of our parents/carers and key workers

Finally, a huge thank you to all our amazing parents and carers who have worked incredibly hard at home during this time. We have been really impressed with how hard the children have been working and we are excited for what the rest of the year may look like. Also, thank you to Mrs Tibbits for organising our amazing display to celebrate key workers.

## Dates for your diary

It has been really unfortunate that we haven't been able to run a lot of our normal events to get to know you all on a different level. However, we hope to invite you all back into school for different events soon as we allowed to do so.

### Phonics Training

Reception Tuesday 9th March 5.00pm-5.30pm

Year One Wednesday 10th March 5.00pm-5.30pm
