## Welcome!

We are so excited to welcome everyone for the new 2021-22 academic year.

The building is ready and we can't wait to see you all again after what we hope has been an enjoyable summer.

We aim to run some tours in our second week back once we have settled into our new home so you can see your amazing new building.

## Monday 6th September

All children will start school on Monday 6th September and will all start on full days.

For morning drop-off, we will open the gates at 08:35 and all children need to be in school by 08:45.

For collection, we will open the gates at 15:10 and all children need to be collected at 15:15 from their class doors outlined on the plan on the next page.

## Wrap around provision

Breakfast and after school club will run as normal and all sessions need to be booked in advance using the ParentPay booking system. Please contact the school office if you need more detail.

**Please note that now we have more children, if you do not book, we cannot guarantee you a place as we need to ensure appropriate staff to pupil ratios.**

## Communication

Please bear with us for the first week or so as we have only just moved into our new building and unfortunately we do not have broadband yet which means our phones do not work (although they should forward to the school mobile) and our internet is not reliable. This will hopefully be sorted by week 2.

## Key Dates

We are hoping to release a year planner with key dates for the year shortly.

Please be aware that these events/dates will only be able to go ahead if there are no changes to Covid-19 guidelines.

We will try to update everyone with any changes as soon as we know anything, but we really hope we can run these events and get you all back into school.

Thank you for all your support and we look forward to seeing you on Monday.

## Unofficial one way system

Please can we ask all parents/carers to follow our unofficial one way system to help manage the traffic as we continue to grow.

## Morning drop off 08:35-08:45

### Pedestrians

Please follow red arrows and come through pedestrian gate. Reception children then follow green arrow to Reception class door. Y1 and Y2 children to then enter by the main entrance and walk through to class.

### Car passengers

Follow blue arrows into drop off lane in front of main entrance. A member of staff will either direct Y1 and Y2 children into school or walk Reception children towards their external entrance to be greeted by staff team. **Please note that if using the drop off lane, you must stay in your car and as soon as an adult has helped your child out, you need to drive off to keep the flow going.**

## Collection - 15:15

No vehicles to enter school for collection (unless special permission has been granted).

Pedestrians (everyone) to follow red arrows. Reception parents/carers then follow green arrow to Reception class door.

Y1 and Y2 parents/carers to follow orange arrows to rear of school and collect from Y1 and Y2 class doors
