

Lower Farm Weekly

Friday 24th September 2021

Congratulations to everyone for another amazing week and well done to those who have particularly stood out for displaying our school values this week.

Beech Class:

Albert Integrity
Isla Achievement

Cherry Class:

Digby Achievement
Maddie Collaboration

Elder Class:

Sienna Resilience
Remiah Resilience

Attendance

For week beginning 24th September

Beech Class: 99.6%
Cherry Class: 100.0%
Elder Class: 98.7%

Congratulations Cherry Class with an attendance of 100%. It would be great to see who will be on top next week.

Key Dates

Thursday 30th September: Reception Class Vision screening

Friday 1st October: Macmillan Coffee afternoon

Tuesday 5th October: Parent/Carer Pupil Progress Meetings

Half Term: Monday 25th—29th October

Staff News- We are really pleased to share some amazing news that Miss Lees is expecting her first child. I am sure you will join me in congratulating her and we wish her a happy and healthy pregnancy.

Macmillan Coffee Afternoon -

We are hoping to host a Macmillan Coffee Afternoon on **Friday 1st October (next week)**. We intend to host **Y2 parents from 13:15-13:45, Year 1 from 14:00-14:30 and Reception from 14:45-15:15**. We aim to provide drinks and biscuits/cakes for you/your children. Donations towards Macmillan Cancer Support will be gratefully received. Please be aware that if there are any concerns surrounding Covid-19, we may have to postpone, but we hope it can go ahead in separate Year groups. Many thanks and hope to see you there.

Parent/Carer Meetings - As you hopefully saw from the calendar shared last week, parent/carers meetings will take place on **Tuesday 5th October. They will run from 13:00 - 18:00**

These will last for 10 minutes each to discuss how your children have settled and how they are doing so far. We aim to hold them face to face in the hall, but are monitoring the situation and can host them via Microsoft Teams if needed. Please book your preferred meeting time via Arbor. The booking system will go live on Arbor on Tuesday 28th September (next week).

Lower Farm Weekly

Learning

Beech Class

This week Reception have been enjoying learning a new song to play on the keyboard. They are super star listeners already and are even deciding which songs they like best. We are very proud of the school values that they are already displaying. Well done Beech Class!

Cherry Class

We have been learning about the four seasons this week. The children have been exploring the different weather conditions in those four seasons.

Elder Class

Year 2 have been very busy exploring microhabitats in science this week. We have had lots of fun showing off our creative talents in the practical room and have managed to build some excellent minibeast hotels. We learnt that all living things need food, water and shelter in order to survive. We did our best to accommodate our creepy crawly friends and look forward to welcoming them soon. Well done Elder class.
