Learning

Beech Class

Children in Reception celebrated their birthdays together last week at a birthday party! We made biscuits, party hats, danced and played games with balloons. It was so much fun and everyone enjoyed celebrating together. We also learnt about different celebrations, what makes us special and what growing up means to us and how different we are now we have started school.

Cherry Class

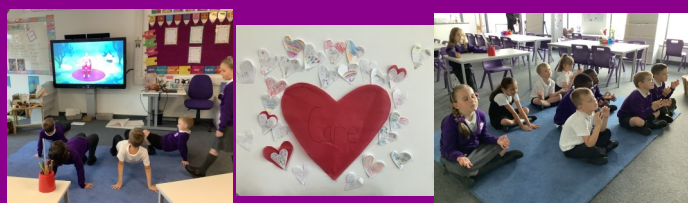

Cherry class really enjoyed their music and PE lessons this week. We had lots of fun playing drums and taking part in different sporting activities.

Elder Class

Lower Farm have been focusing on one of our core values this week which is CARE. In Elder class the children looked at what being caring was to them and made a beautiful display.

They also focused on what it means to take care of yourself by taking part in yoga and meditation in the morning in readiness for a day of learning.

Growing Brighter Futures

Lower Farm Academy is a new primary school in Nuneaton. Our brand new, purpose built site is now open and everyone is welcome to find out what we have been up to so far. Please look at our website and Facebook or contact us for a chat about our school and our admissions process. Hopefully we will have the opportunity to show you around in person on one of the following dates, but you can also contact the school office to organise another viewing if needed:
