Macmillan Coffee Morning

Last week we invited all parents and guardians in to school to enjoy coffee, tea and cake to raise money for the vital service that is Macmillan Cancer Support. It was lovely to get a chance to see you in person and talk about all things Lower Farm Academy too. What an incredible journey we have been on as a school to finally be able to meet in our very own school hall. Thanks to your wonderful donations we have been able to raise **£271.00**

Learning

Beech Class

In Beech Class children have been learning about people who help us. We have been learning about keeping safe when we use the roads. We know that we must look, listen, wait and hold hands. We even learnt a super song.

Cherry Class

We had a special delivery in Cherry class this week! We have been learning about the 'Lost and Found' story and all the way from the South Pole a penguin was delivered! We have also been looking at number bonds and using resources to find our number bonds.

Elder Class

In art Elder class have been experimenting with different mediums to create their colour wheels and scenes under the ocean. We have been learning about how we can protect our world especially our oceans and the kind of pollution found in them. We also had lots of fun acting out one of our stories The Snail and the Whale.

Growing Brighter Futures

Lower Farm Academy is a new primary school in Nuneaton. Our brand new, purpose built site is now open and everyone is welcome to find out what we have been up to so far. Please look at our website and Facebook or contact us for a chat about our school and our admissions process. Hopefully we will have the opportunity to show you around in person on one of the following dates, but you can also contact the school office to organise another viewing if needed:
