

Lower Farm Weekly

Friday 28th January 2022

Congratulations to everyone for another amazing week and well done to those who have particularly stood out for displaying our school values this week.

Parent/Carer Meetings Tuesday 1st February

Due to COVID-19, we are running next week's Parent/Carer meetings remotely via Microsoft Teams. I know this is not ideal, but we are still getting confirmed cases this week and need to keep our community as safe as possible. If you have not already done so, please book your child's time slot via your Arbor App.

We do intend to start running school events again after half term and will hopefully be able to welcome you all into school again shortly. Thank you for your continued understanding.

Beech Class:

George Achievement
Charlotte Collaboration

Cherry Class:

Peter Achievement
Laksh Achievement

Elder Class:

Xander Resilience
Ronnie Achievement

Attendance

**For week beginning 24th
January:**

Beech Class: 94.2%
Cherry Class: 91.5%
Elder Class: 96.8%

Congratulations **Elder class** with an attendance of **96.8%**. It would be great to see who will be on top next week.

Lower Farm Weekly

Beech Class

This week Beech class have been learning about observational drawings and using shapes to create detail in drawings to make them recognisable. The children have been superstars and have produced some fantastic pictures of chicks. Another fab week of learning beech class, superstars!

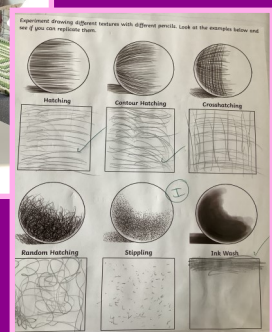

Cherry Class

The children in Cherry class have been discussing what materials items and objects are made of. We then began to compare the similarities and differences between two materials.

Elder Class

This week Elder class have been looking at and practicing different shading techniques in art as well as learning all about the famous painter Claude Monet. They've looked at some of his paintings, talked about the style he painted in and discussed what they like /dislike about the pictures.
