

Lower Farm Weekly

Friday 11th March 2022

Congratulations to everyone for another amazing week and well done to those who have particularly stood out for displaying our school values this week.

Beech Class:

Harper Collaboration
Adam Achievement

Cherry Class:

Poppy Achievement
Jennifer Care

Elder Class:

Thomas Resilience
Ronnie Achievement

Attendance:

For week beginning 7th March:

Beech Class: 96.6%
Cherry Class: 95.7%
Elder Class: 85.8%

Congratulations **Beech class** with an attendance of **96.6%**. It would be great to see who will be on top next week.

Kids Need Clean Air

Did you know you produce more fumes from your exhaust when your car is parked and running than if you were driving along? **FACT!**

Please make our school environment healthier for our children by turning your car off.

Comic Relief Day - Friday 18th March

On **Friday 18th March** we are celebrating **Comic Relief Day**. Children are welcome to come to school wearing something red with non-uniform. Donations will be gratefully received via ParentPay. A link will be sent to you separately.

Mothers Day Afternoon Tea Friday 25th March 2:00-3:00pm

We would like to invite one special lady from each child's family to join us for refreshments and celebrate Mothers Day on **Friday 25th March**.

Baby Announcement!

It gives us great pleasure to announce the safe arrival of **Miss Lees' baby daughter Ada-Rose** who entered the world on 09.02.2022. Mummy and baby are doing really well.

Lower Farm Weekly

Beech Class

This week the children in reception have been working hard in their maths lessons. Our focus has been one more and more less, in the afternoon we came outside to work practically on finding one less or one more of a number. The children had to run to the hoop with the correct number.

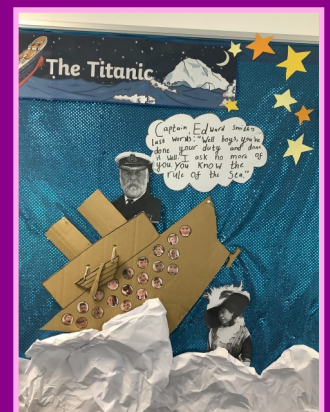

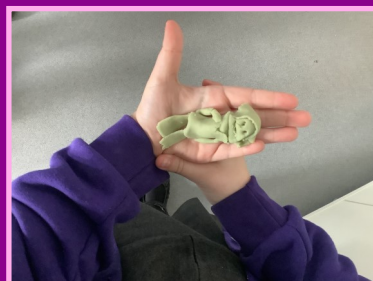

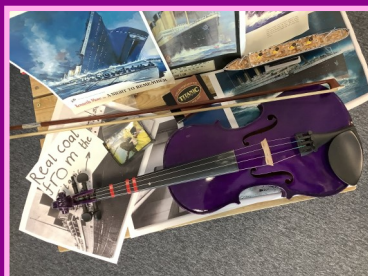

Cherry Class

We have had a very interesting week in Cherry class! Our class teddy Jerry has been stolen by a villain and we are on the hunt for him around the school grounds! We have been continuing our love of reading with the children reading all around the classroom with their friends. We have also been using scales to measure and weigh different items in the classroom.

Elder Class

This week we have been learning all about the famous artist Henry Moore, who was famous for his incredible bronze sculptures which are located all around the world. We have been so inspired by his work and look forward to putting his techniques into practice, when sculpting our very own Titanic artefact out of clay. We also spent some time thinking about the famous orchestra that played on the Titanic. Wallace Hartley led Titanic's eight-member band, and upon panic of the passengers during Titanic's sinking, assembled in the first-class lounge to play in an effort to keep everyone calm. They were very brave and showed lots of resilience. We cannot wait to include this fact in our big writing!
