## Beech Class

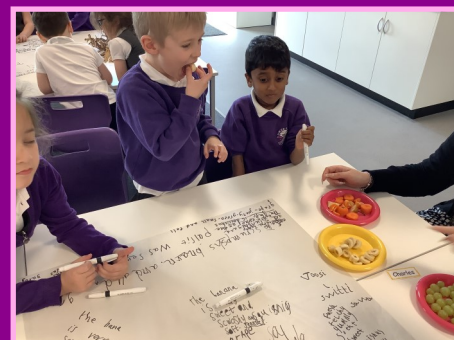

This week Reception have been very productive as artists. They have been drawing, using pastels and paints to create Vincent Van Gogh's famous painting of Sunflowers. They also had the opportunity to create sunflowers using playdoh and a range of tools and techniques. They had two fantastic afternoons creating their master pieces and learning about the famous artist. There are definitely some budding artists in the class. Great to see so much enthusiasm and concentration from Beech class.

## Cherry Class

The children in Cherry class have been exploring their senses! We had different tables set up for their 5 senses and the children particularly enjoyed the tasting and smelling tables!

## Elder Class

This week the children in Elder class have been sculpting Titanic artifacts and decorating them in their art lesson. They found researching the objects found in the wreck and on the sea bed extremely interesting and could not believe the kinds of things found. They enjoyed experimenting with the medium of clay and cannot wait to use it again.
