Beech Class

Reception have had a very busy week, in maths we have been working on number bonds to 10. The children have been demonstrating their fabulous letter formation by writing some super sentences about sunflowers, they have used their phonics knowledge and written the sounds they could hear for each word and they have even tried to use capital letters, full stops and finger spaces – good job Beech class, you have really worked your socks off this week!!

Cherry Class

The children in Cherry class loved their music lessons playing different instruments!

Elder Class

Elder class raised the most money for our school recently and were given the special treat of making some cakes to enjoy. Thank you to all our families who helped to raise the money.
