## Beech Class

This week we have focused on a new story 'There's A Superhero In My Book'. We thought about what the villain, The Scribbler, might draw to stop the superhero, made our own comic books, ran a scribbler identification station in our head quarters and even used K-Nex to make 3D models of the scribbler. What a fabulous week of learning Beech class, superstars!

## Cherry Class

This week in Cherry class, the children have used the story of Peter Pan to explore the emotions and experiences of other people. They took on the role of a character and wrote a diary from that character's perspective. We also used the idea of 'walking the plank' from the story to explore our emotions. The children were able to challenge their fears, and they all got across bravely! Well done Cherry class!

## Elder Class

This week Elder class has been focusing on the traditional tale Beauty and the Beast. The children really enjoyed role playing the story outside and then writing all about it as part of a story mountain focussing on the beginning, the build up, the problem, the resolution and then the ending.
