### Parking and Road Safety

Please can we ask that parents/carers **do not park across any driveways/ access roads** in the area – we have residents and private ambulances which need access to their drives/access roads.

Please can we also ask parents/carers **not to park on the yellow zigzags/double yellow lines** for safety reasons.

Please can we be mindful when driving around / near the school, especially during pick up and drop off times as there are more likely to be children near and around the roads and they may be crossing. Please be patient as they make take longer to cross.

Thank you for you cooperation.
