Encouraging Healthy Habits - Eat Well and Move More campaign

Warwickshire County Council is supporting families to make healthier choices through the Eat Well Move More campaign, helping children build lifelong healthy habits. Schools play a key role in reinforcing these messages, and we're asking for your support in sharing this important information with families.

Eat Well

Healthy eating starts with simple swaps. Replacing fizzy drinks, juice drinks, and flavoured milks with water, lower-fat milk, or drinks with no-added-sugar is a great way to cut down on sugar. Energy drinks are not recommended for children under 16 as they are high in caffeine and can lead to physical and mental health issues.

Involving children in meal planning can also encourage healthier eating. Let them choose recipes, pick vegetables and fruits at the supermarket, and get them helping with meal preparation. Children learn by watching their parents—so setting a good example can make a real impact.

Portion size matters too. Kids are smaller than adults, so start with a smaller portion. If they're still hungry, they'll ask for more. When eating out, look for child-friendly options that include fruit and vegetables, and try to avoid bigger portion sizes like 'go large or 'supersize' deals.

Sugary snacks can add up quickly. Fruit and vegetables are a great snack choice, but if kids are having packaged snacks, aim for no more than two a day.

Move more:

A healthy lifestyle also involves plenty of physical activity. Children should ideally be active for at least 60 minutes a day, with 30 minutes taking place outside of school. This can be broken into short 10-minute bursts—they could try scootering to school, skipping to the shops, or dancing to a song!

There are lots of ways to encourage children to be more active. Make exercise fun by turning activities into games like tag, hide-and-seek, or dancing. Walk or bike to school if possible or visit a local park for a family walk. Warwickshire also offers a range of after-school sports clubs where young people can stay fit while developing socially

Stop norovirus spreading

Norovirus, also known as the 'winter vomiting bug', is the most common stomach bug in the UK. It can spread easily through close contact, or by contaminated surfaces, food or water.

The main symptoms of norovirus include a sudden onset of nausea, followed by projectile vomiting and diarrhoea, usually 1 to 2 days after becoming infected. Other common symptoms include a high fever, a headache and aching arms and legs.

Good hand hygiene is important to stop norovirus spreading.

To stop norovirus spreading, you should:

- wash your hands thoroughly using soap and warm water after using the toilet or contact with a sick individual and before preparing and eating food.
- stay off school or work until you have not been sick or had diarrhoea for at least two days
- not rely on alcohol gels instead of washing your hands, as these do not kill the virus
- wash any contaminated clothing or bedding using detergent at 60°C using disposable gloves to handle any items
- use bleach-based cleaners to disinfect surfaces

If you catch it, stay home for 48 hours after your symptoms clear

Most people will make a full recovery in 2-3 days without needing any medicine. It is important to keep hydrated – especially children and the elderly.

Try not to visit A&E or GP surgeries if you have symptoms of norovirus unless advised to do so by a healthcare professional, as this may spread the bug to others. Call ahead to a GP or ring NHS 111 if you are worried about your symptoms.

Further information is available at NHS 111 or NHS.uk (https://www.nhs.uk/conditions/norovirus/)

APPLICATION FOR LEAVE OF ABSENCE FOR A SCHOOL PUPIL IN TERM TIME IN EXCEPTIONAL CIRCUMSTANCES ONLY

Important Information for Parents/Carers

Generally, the DfE does not consider a need or desire for a holiday or other absence for the purpose of leisure and recreation to be an exceptional circumstance.

- Exceptional circumstances: All schools can grant a leave of absence for other exceptional circumstances at their discretion:
 - It must be requested in advance by a parent who the pupil normally lives with.
 - Schools are then expected to consider each application individually taking into account the specific facts and circumstances and relevant background context behind the request.
 - If a leave of absence is granted, it is for the school to determine the length of the time the pupil can be away from school.
- When making an application for Leave of Absence the resident parent is advised to give sufficient information and time to allow the Head teacher the opportunity to consider all the exceptional circumstances and to notify of their decision.
- Requests for leave of absence should made before any arrangements confirmed or money committed.
- It is advised if you have not received notification from the school regarding the leave of absence request, it is your responsibility to
 ascertain if the leave is authorised prior to the start of leave.
- Failure to make a request for a leave of absence in advance will result in the absence being recorded as unauthorised.
- Any additional days taken either side of a leave of absence period, which has not been applied for, may be considered as part of the leave of absence period and be unauthorised.
- Unauthorised Leave of Absences will be referred to the Warwickshire Attendance Service upon the child's return to school for consideration of a Penalty Notice.

Please see over for important information relating to the changes in relation to Penalty Notices.

- Parents have a legal duty to ensure that their children of compulsory school age receive a suitable full-time education through regular attendance at a school or otherwise (ie home education) (Section 7 Education Act 1996). If a child who is of compulsory school age, who is registered at school and fails to attend regularly, it is the parent that will be guilty of an offence (Section 444 (1) Education Act 1996).
- Section 576 Education Act 1996 defines 'parent' as:
 - Any natural parent, whether married or not;
 - Any parent who, although not a natural parent, has parental responsibility as defined in the Children Act (1989) for a child or young person;
 - Any person who, although not a natural parent, has care of a child or young person.
- The National threshold is 10 sessions of unauthorised absence in a rolling period of 10 school weeks. If the local authority believes a penalty notice would be appropriate, they retain the discretion to issue one before the national threshold is met. This might apply for example, where parents are deliberately avoiding the national threshold by taking several term time holidays below threshold, or for repeated absence for birthdays or other family events. Please refer to Warwickshire County Council's Code of Conduct for non-school attendance and penalty notices for further information.

Leave of Absence taken after 1 September 2024:

The law relating to Penalty Notices has been amended and Penalty Notices issued for Leave of Absences taken after 1 September 2024 will be issued in accordance with the updated legislation.

- First Leave of Absence offence: The Penalty Notice amount of £160 to be paid within 28 days, this is reduced to £80 each child if paid within 21 days.
- Second Leave of Absence offence within a 3 year period (from the date of issue of the first penalty notice): The amount of £160 paid within 28 days. No reduced amount.
- Third Leave of Absence offence within a 3 year period (from the date of issue of the first penalty notice).
 A penalty notice will not be issued, and the matter will be referred to Warwickshire County Council's Legal Services to consider instigating criminal prosecution proceedings under S444 of Education Act 1996.
- Any Penalty Notices issued and/or prosecution will apply to each parent for each child who fails to attend school (e.g. 2 absent children is 2 offences under section 444 Education Act 1996).
- A Penalty Notice is an alternative to prosecution, however if the Penalty Notice expires and is not paid Warwickshire County Council will consider instigating a criminal prosecution under the Education Act 1996.
- Payment plans will not be offered and/or payments received outside of the 28 day period will not be accepted.
- Where criminal proceedings are issued and a parent is found guilty, the court could issue a sentence of a fine of up to £1,000 for a Section 444(1) conviction; or £2,500, a community sentence period or a custodial period of up to 3 months for a Section 444(1A) conviction.

LEAVE OF ABSENCE DURING TERM TIME

UPDATED INFORMATION FOR PARENTS

The Supreme Court has clarified the law on unauthorised leave, including holidays, during term time (Platt v Isle of Wright 2017). The Supreme Court has made clear that attending school 'regularly' means that the children must attend school on every day that they are required to do so. As such, the parents of any child who is absent from school without authorisation for any length of time are likely to be considered as committing an offence under s444 of the Education Act 1996.

The law states a leave of absence may only be granted by a school if an application is made in advance and if it considers there are exceptional circumstances relating to the application.

Schools must judge each application individually considering the specific facts and circumstances and relevant background context behind each request.

A leave of absence is granted entirely at the school's discretion. Generally, a need or desire for a holiday or other absence for the purpose of leisure and recreation would not constitute an exceptional circumstance.

Where a leave of absence is granted, the school will determine the number of days a pupil can be absent from school.

When making an application for Leave of Absence parents are advised to give sufficient information and time to allow the Head teacher the opportunity to consider all the exceptional circumstances and to notify parents of their decision. The school may also request further information on the application and supporting documentation where appropriate.

It is advised that if the resident parent has not received notification or a response regarding the leave of absence application, it is the parents' responsibility to ascertain if the leave is authorised prior to the start of the leave.

The school can only consider Leave of Absence requests which are made by the 'resident' parent is the parent with whom the child normally resides.

Where applications for leave of absence are made in advance and refused, the child is expected to be in school on the dates set out in the application. If the child is absent during that period, it will be recorded as an unauthorised absence. Where a leave of absence is requested, but additional days taken either prior to or after the request may be considered as part of the leave of absence.

Leave of Absences which are not made in advance cannot be authorised in line with legislation. This will result in the absence being recorded as 'unauthorised'.

All matters of unauthorised absence relating to a Leave of Absence will be referred to the Warwickshire Attendance Service, part of Warwickshire County Council. Penalty Notices are issued in accordance with Warwickshire County Council's Code of Conduct for Penalty Notices and in the first instance, as an alternative to prosecution proceedings.

Leave of Absence taken in the academic year 2024-25

The law relating to Penalty Notices changed with effect from 19 August 2024. Therefore, Penalty Notices issued for Leave of Absence taken from September 2024 will be issued in accordance with the updated legislation.

- Penalty Notices are issued to <u>each parent of each absent child</u>, (for example 2 children and 2 parents, means each parent will receive 2 invoices – 4 in total).
 - First Leave of Absence offence: The Penalty Notice amount of £160 to be paid within 28 days, this is reduced to £80 each child if paid within 21 days.

- Second Leave of Absence offence within a 3 year period (from the date of issue of the first penalty notice): The amount of £160 paid within 28 days. No reduced amount.
- Payment plans will not be offered and/or payments received outside of the <u>28.day</u> period will not be accepted. Where a penalty notice expires unpaid the matter will be referred to Warwickshire County Council's Legal Services to consider criminal prosecution.
- Third Leave of Absence offence within a 3 year period (from the date of issue of the first penalty notice): A penalty notices will be not be issued and the matter will be referred to Warwickshire County Council's Legal Services to consider instigating criminal prosecution proceedings under S444 of Education Act 1996.

Your child's progress academically as well as socially is our shared priority.
