

Summer 1 Homework Menu

Geography:

- Think about a time you have visited the seaside. What do you remember?
- Draw a picture of your visit, identify and label the human and physical features you saw.

Art: Sculpture and 3D clay houses.

- Create a perfect home for your Bog Baby using junk modelling and other recycled materials.

PE:

- Can you learn the rules of football and challenge your friends and/or family to a game?

RE: What can we learn from sacred books?

How do people celebrate special and sacred times?

- Talk to a grown up about special occasions you celebrate. What makes them special? How, when and why do you celebrate them? Record your conversation on SeeSaw.

English: Design your very own Bog Creature.

- Write a character description about it.
- Can you create your own story that includes your new character?

Maths: Fractions and time.

- Sequence your typical school day, from when you wake up, right up until you go to bed. Draw pictures cards and put the events in order. Next, write the corresponding times next to them e.g. Lunch time- 12:00pm.

Science: Plant growth

- Investigating seeds, bulbs and plants and recognising the conditions required for germination and healthy plant growth.
- Can you plant your own sunflower seeds at home and monitor their progress? What do plants need? Where will you put your seeds to ensure they grow successfully? Take photos of your progress for SeeSaw.

With an adult, use the web to find out more about a famous black musician.

Research the Notting Hill Carnival and design a costume of your own.

Research a healthy traditional recipe from Africa/Caribbean and have a go at making it with your family.

Create a piece of art about black history. This could be a collage, painting or drawing.
