

# Year 2 Spring Homework Menu

## Writing

- Write your own story about a trip to your own island, what does it look like? Who is there? How can you describe it?
- Choose a rainforest animal and create a fact file, remember to add captions, pictures and fun facts!

## Geography

We will be:

- Research the 7 Wonders of the World and create a poster for the place you would like to visit.
- Create sketch map for your local area.
- Practice the continents song on Youtube.

## RE

- Take some pictures of things/people that are important to you and make a video on Seesaw to talk about them.

## Science

- Create a life cycle for a butterfly.
- Find pictures of baby animals from the rainforest and name them e.g. a baby monkey is called an 'infant'.

## PE

- Create a game including catching, throwing and critical thinking skills. Record yourself playing it and post on Seesaw.

## Maths

- Go to the shop and practice paying for your shopping using notes and coins.
- Practice your multiplication skills on TT Rockstars  
<https://ttrockstars.com/>
- Practice multiplication and division games on Topmarks:  
<https://www.topmarks.co.uk/maths-games/5-7-years/multiplication-and-division>

## Art

- Do some close observational sketches of rainforest animals and plants.
- Create a mood board for your favourite rainforest colours.
