

Year 2 Spring 2 Homework Menu

Writing

- Keep your own diary for a week, remember to include all the exciting things you've been up to.
- Create your own imaginary creature that lives in a pond, draw the character and use noun phrases to create a description.

RE

- Make a poster about a person who is inspirational to you. Add pictures and fun facts.

Maths

- Practice your times tables on TT Rockstars
- Learn about fractions for Key Stage 1 on BBC Bitesize [Fractions - KS1](#)
[Maths - BBC Bitesize](#)
- Practice telling the time (quarter past, quarter to, o'clock and half past).

Science

- Have your own minibeast hunt at home, create a tally chart for all the creatures you find.
- Make a bird feeder and put it in your garden. Take pictures of birds that visit.

Design Technology

- Design and make a shelter for The Bog Baby, remember he needs to stay dry!

History

- Research the Wright Brothers and create a list of questions you would like to ask them.
- Talk to a grandparent/ elderly person about their experiences of flights and how they have changed over time. Record your interview and post it on Seesaw.
- Draw and label airplanes from the past, how are they different to modern planes?

PE Set Goals: Think about your current level of skill and set two achievable goals. These goals should challenge you to improve yourself and your abilities. For example:

- "I want to throw the ball to a partner with 80% accuracy."
- "I want to catch the ball with one hand while running."
