Lower Farm Academy Newsletter

Friday 23rd October 2026

This Week in Our School

What a fantastic end to our first half term. The children look brilliant in their halloween costumes and so many of you have supported our PTA Halloween Disco which goes on to benefit us as a school, so thank you. We all hope you have a restful half term and that the children enjoy some down time before returning to school on Monday 2nd November.

Key Dates!

Please read this section carefully as there have been some updates/new additions and we don't want you to miss out on any of our autumn term events!

Wednesday 11th November	Rememberance Day
Friday 13th November	Children in Need Non Uniform Day
Friday 4th December	Friends of Lower Farm Non Uniform Day - Chocolate donations
Tuesday 15th December	Reception Nativity

Shout Outs!

We are incredibly lucky to have such a dedicated and caring team at our school, who consistently go above and beyond for our children. Many of our staff generously give up their own time to run a wide range of sports clubs, social clubs and academic booster sessions, helping children to build confidence, develop new skills and enjoy learning even more. We wanted to add a special place on our newsletter for parents to nominate staff who they feel deserve shout outs. You can do this by emailing office@lowerfarmacademy.org with the staff member's name and what makes them great!

Thank you to the parent who has sent in a shout out for the following member of staff this week:

Mrs Hornsby

This week, Mrs Hornsby has received a parental nomination for her work with Scarlett last year and with Harmony so far this year. She is truly amazing with all students and it's something I've noticed with both children through both years. She just always so happy and cheerful.

Tips For Wellness

Mind and Body

Just as we look after our physical health, it's important to look after our mental health. In fact, the two are closely connected!

Most of us will know what it's like to feel worried, stressed or low from time to time. We might be affected by our relationships with friends and classmates or things we see on the news, and we might feel worried about school or our home lives (this is understandable!) Recognising how our mind health and physical health work together can keep us mentally healthy.

Our Tips for looking after your Mind and Body:

To ensure a healthy mind and body, why not try some of the activities below? Can you choose one from each category?

1. **Physical**- healthy eating with plenty of water, time away from technology and get fresh air where you can, regular exercise every day (e.g., walk to school or get off the bus a stop earlier, dance, or stretch), a consistent sleep schedule (children aged 6-12 years should aim for 9-12 hours sleep per night, adolescents should aim for 8-10 hours).
2. **Social**- spend quality time with friends and family, connect with others in person (as well as online), join a club or community group, reach out to others and don't be afraid to ask for help or offer support.
3. **Practical**- keep a daily routine to create structure and stability, use checklists to act as reminders and to hold yourself accountable, get ready for the day each morning, set yourself small and achievable goals to stay motivated.
4. **Emotional**- develop supportive friendships, write down three good things from your day, take time to do something relaxing every day, practise self-kindness (e.g., treat yourself how you would treat a friend!)

Scan the QR code for more ideas around keeping a healthy mind and body.

#ThanksKids recognises the efforts and kindness of children and young people, and thanks them with personalised #NHSStars certificates. If you know a child or young person that deserves recognition for going above and beyond, don't wait, nominate! **thankskids@covwarkpt.nhs.uk.**

MHST are available to support you and your school throughout the school year including term time and school holidays.

Please contact your school's Mental Health Lead for information and advice.
